Nebraska Voting System Approval Process

Under Nevada law, a voting system and any modification to a voting system must be approved by the Secretary of State before it can be used in any election (NRS 293B.105). In addition, a voting system must meet or exceed Federal standards for voting systems before such system can be approved for use in Nevada.

-Application for State Certification of Voting System (MS Word)

-Nevada Revised Statutes: Chapter 293B - Mechanical Voting Systems

-Nevada Administrative Code: Chapter 293B - Mechanical Voting Systems

Mechanical Voting Systems Approved for Use in Nevada

The following system are currently approved for use:

Dominion Voting Systems

-WinEDS 3.1.012 Election Definition System (March 27, 2006)
